

Rylee Correa

San Diego, CA | (559) 651-6617 | ryleencorrea@gmail.com

EDUCATION

University of California, San Diego

Bachelor of Arts

Major in Interdisciplinary Computing and the Arts - Cumulative GPA: 3.85

San Diego, CA

Sep 2023 - Jun 2026

WORK EXPERIENCE

Qualcomm Institute

Makerspace Lab Intern

San Diego, CA

Jun 2025 – Present

- Supported interdisciplinary design projects by assisting with prototyping and interactive media tools.
- Advised students on digital design workflows, including 3D modeling and visual fabrication processes.
- Helped translate conceptual ideas into tangible prototypes through iterative design methods.

Livable Communities Initiative

UI/UX Web Design & Graphic Design Intern

San Diego, CA

Feb 2025 – Apr 2025

- Designed user flows, wireframes, and high-fidelity prototypes using Figma.
- Developed a cohesive design system to improve consistency and accessibility across the site.
- Redesigned and implemented updates to a WordPress website to enhance usability and engagement.

ACTIVITIES

Yonder Dynamics

Lead Electrical Engineer (2024-2026)

San Diego, CA

Sep 2023 – Jun 2026

- Collaborated with cross-functional teams to integrate user-centered design into technical systems.
- Led iterative prototyping processes, balancing functionality with usability considerations.
- Mentored team members on design-thinking approaches within engineering workflow.

UNIVERSITY PROJECTS

Custom Built Theremin

Mar 2026

- Designed and developed an interactive electronic instrument using a Raspberry Pi 4 Model B, integrating hardware and software for real-time sound generation.
- Created a custom PCB to support audio mixing and signal smoothing, enabling more responsive and expressive user interaction.
- Programmed dynamic frequency-based sound outputs to explore gesture-driven audio design.
- Presented the project in a UCSD Senior Exhibition, communicating design process and user experience to a public audience.

ADDITIONAL

Technical Skills:

Adobe Creative Suite (Photoshop, Illustrator, InDesign), Figma, HTML, CSS, JavaScript, TouchDesigner, Blender, Visual Hierarchy and Layout Design Branding and identity systems, Wireframing and Prototyping, Typography, Client Communication and Feedback Integration, Presentation and Visual Storytelling.
